

MANAWATU ACTIVITY FUND

MEET CAYDEN POLLOCK

Seven-year-old Cayden from Manawatu is hoping to enhance his swimming abilities thanks to a Halberg Activity Fund Grant. Cayden is an amputee/limb deficient which impacts his physical activity, he is an extremely active kid with a lot of enthusiasm and passion for sport.

Cayden grows more comfortable and proficient in the water with each lesson, demonstrating a natural aptitude for the sport. With his family living so close to the coast, it's also a vital skill to have not only to be able to swim in the ocean but to encourage his passion for swimming.

Cayden's mum says "As parents, our goal is to foster Cayden's love for swimming and empower him to pursue his interests with confidence. We believe that providing him with continued opportunities for swimming lessons will not only nurture his love for the water but also contribute to his overall physical and emotional well-being."
